Abstract Notification.

The attention of the public is invited to the detailed notification inviting sealed tenders for urgent improvements to water supply of Doddaballapur Town, published on page 267 of Part VI of the *Mysore Gazette* dated 5th March 1953. The last date for the receipt of tender is 4 P.M. on 25th March 1953.

A duplicate challan for having credited in treasury the deposit amount of Rs. 300 under '40 (i) Remittances payment into Treasury by Public Works Department Offices' should accompany each tender.

8765

Notification dated 5th March 1953.

Sealed quotations will be received by the undersigned up to 4 P.M. on 27th March 1953 for carting cement, steel, C.I. Pipes etc., from Bangalore City/Cantonment Railway Station to Division Office and for labour charges for loading steel in Government lorries at the office of the Controller of Central Stores, Bangalore and unloading and stacking at the Division Office during the year 1953-54.

Each quotation should accompany a duplicate chellan for having remitted a sum of Rs. 300 as security deposit to any of the Government Treasuries under the head 'Revenue Deposit'.

Rate should be quoted per ton for the following works:—

1.	Unloading from the wagon conveying either from Bangalore City/Cantonment Railway Station to Division Office and stacking in the stores as required by the Department officers (Government Lorries will not be spared, contractor will have to make his own arrangements for conveyance.	Steel per ton. Cement do C.I. Pipes and other heavy materials per ton.
2.	Loading on lorries at the Controller of Central Stores and unloading the same at the Bangalore Division Office and stacking.	Steel per ton. Cement do C.I. Pipes and other heavy materials per ton.

If rods are received in more than 36' length, they have to be sent into two halves to facilitate carting and rate for this item of work also should be included in the carting rate and no special rates will be paid.

The contractor has to make his own arrangements for receiving Railway Receipts from the Division Office. Any damage or other charges payable on account of late clearance will have to be borne by the contractor.

The labour employed for works should be amicable for discipline while on duty. Shortage during transit will be recovered from the contractor.

On all matters of dispute the decision of the undersigned is final and binding.

The rates accepted will hold good for the year 1953-54 from the date of acceptance.

8791

Notification dated 5th March 1953.

Sealed quotation will be received by the undersigned up to 4 P.M. on 27th March 1953 for carting Spremax barrels from Railway Station to Emulsion Plant during the year 1953-54.

Each quotation should be accompanied by a duplicate challan for having remitted a sum of Rs 200 as security deposit to any of the Government Treasuries under the head "Revenue Deposit".

The rate should be quoted per ton for unloading the barrels from the Waggon, Conveying from Railway Goodsyard to the premises of Government Bitumen Emulsion Plant, Malleswaram and stacking the barrels as required by the officers concerned. Separate rates should be quoted for the above items of works for Carting Barrels.—

(1) From Bangalore City Goodsyard to Emulsion Plant;

(2) From Yeswanthapur Railway Goodsyard to Emulsion Plant; and

(3) From Bangalore Cantonment Railway Goodsyard to Emulsion Plant.

The Public will please note that they have to make their own arrangements for conveyance and no departmental lorries will be spared.

The carting charges will be paid on the gross weight as furnished by the supplying firm in their bills.

The shortage of spremax either due to leakage of barrels or for any other reason during transit will be recovered in the contractor's bill.

The rates accepted will be held good till the end of the official year 1953-54 from the date of acceptance.

The Contractor has to make his own arrangements to receive the Railway Receipts either from the Division Office or from Emulsion Plant and demurrage etc, to be paid on account of late clearance will have to be borne by the Contractor.

In case of default of any of the above terms, the earnest money will be forfeited to Government.

On all matters of dispute the decision of the undersigned is final and binding.

T. HUCHAVEERAIAH,
Executive Engineer.

KOLAR DIVISION.

Abstract Notification.

Re:—Tenders in respect of water supply works in Kolar Division, Kolar.

The attention of the public is invited to the detailed notification dated 21st February 1953 calling for tenders in respect of water supply works in Kolar Division published on page 267 of part VI of the *Mysore Gazette*, dated 5th March 1953.

The tenders (with treasury chellan for having credited the necessary earnest money deposit to treasury will be received in the office of the undersigned up to 4 P.M. on 18th March 1953.

Full particulars can be had in the office of the undersigned between 11 A.M. and 5 P.M. on all working days.

8763

Notification dated 2nd March 1953.

Sealed tenders duly signed by the Licenciated Contractors will be received by the undersigned up to 4 P.M. on 13th March 1953, for the following works.

Sl. No.	Name of work.	Amount of Estimate.	Earnest money deposit.
1.	Improvements to Water Supply to Hospet, Kurnerpet, Fort Gulpetand Goripet of Kolar Town, raising main and distribution lines.	10,950	545
2.	Constructing R.C.C. Overhead Reservoir of 30,000 gallons capacity at 40' staging round Intzy type including outlet and outlet connections as per design in Kolar Town.	22,500	1,125

Tenders should be submitted on the basis of individual rates, *i.e.*, rates should be quoted for individual items of work as detailed in the abstract estimate and such rates should hold good till the completion of the works. For non-tendered items of work rates as per current schedule of rates will be allowed. Rates should be noted both in words and figures, failing which, the tender will be rejected.

2. Tenders in the prescribed form obtainable from the Office of the undersigned should be addressed to the Executive Engineer, Kolar Division, Kolar, in a sealed cover superscribed as above and the name of the tenderer should be noted on the cover.

3. Each tender must be accompanied by a duplicate challan for having credited the required earnest money deposit noted above for each of the work under Revenue Deposits.

4. The final acceptance of the tender rests with the Superintending Engineer, Tumkur Circle, Bangalore, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any. In all matters of dispute regarding rates, etc., the decision of the Superintending Engineer, Tumkur Circle, Bangalore, will be final. The approved tenderer should bind himself to abide by the Departmental rules in force and execute the *mutchalika* immediately after the acceptance of the tender, failing which, his earnest money deposit will be forfeited.

5. The estimate and plan, the contract agreement form defining the conditions of the tender contract, etc., can be seen in the office of the undersigned on all working days.

M. MUNIAPPA,
Executive Engineer.
